

# Integrity Statement

## INTEGRITY STATEMENT

### Overview

As an essential element of the SkillsUSA Framework, Integrity guides members to do the right thing in a reliable way, allowing individuals to earn the trust and respect of others. Integrity is shown by being honest, do what one says they will do, holding themselves and others accountable, as well as making choices consistent with their values. The expectation is that integrity is demonstrated by all members and individuals involved with this year's SkillsUSA Indiana State Leadership and Skills Conference.

### Local Proctor Information

Proctors are there to make sure the contest runs smoothly, integrity is maintained, and to keep the lines of communication open. Proctors should serve as impartial parties without showing any preference or favoritism to any competitor. Proctors should administer exams in the most ethical and honest manner. Ethical testing ensures that test scores are not compromised, promotes a fair testing process, and avoids serious consequences that may stem from cheating. Unethical testing conduct results in scoring penalties or disqualification from the contest.

### Statement of Integrity

By signing to the right, the contestant, chapter advisor and proctor agree to the following:

- No outside resources were used during the exam(s).
- All cell phones and other electronic devices (except the one being used for exam(s)) were turned off during the exam(s).
- All individuals involved with completing this submission acted with integrity as defined above.

## CONTESTANT INFORMATION

Each contestant of a team contest must submit an individual integrity statement.

Contest Name: \_\_\_\_\_ Team: \_\_\_\_\_

Contestant Name: \_\_\_\_\_

Contestant Chapter: \_\_\_\_\_

## CONTESTANT SIGNOFF

Contestant Email: \_\_\_\_\_
