## **SCOPE OF THE CONTEST**

- A. The contest will be geared towards a wedding cake design. The actual performance phase will be the actual construction and decorating of a 3-tiered wedding cake that could be used in an actual wedding ceremony. Cake sizes to be 12-10-6 or 12-10-8
- B. Students must build a three-tiered batter-based cake. The layers must be stacked with no separations. Cakes must be trimmed, split into 4 layers, and filled. All cakes must be trimmed, split, and filled on site. Structure supports are acceptable, such as dowel rods, straws, cake boards and drums.
- C. Wire for gum paste flowers is acceptable. No inedible items such as fresh or artificial flowers, fountains, and staircases.
- D. At no time will students be allowed to talk to his/her instructor once the competition begins, they may, however, consult with the evaluators and their partner.
- E. The students must have the cake built in and displayed within 4 hours. Judging will be immediately after. Anyone not completed will be allowed to continue for an additional
- F. 30 minutes for a 10-point deduction. Students may use food coloring if they desire. Please remember color is evaluated on appropriateness and tastefulness of use.
- G. Contestants will demonstrate their ability to perform jobs and skills based on the following list of competencies:
  - Blueprint or Drawing of Cake design as well as a timetable of the day's assembly and execution of the plan.
  - Use of standard commercial tools, utensils, and equipment. Stencils and molds are allowed to be used. All powered equipment must be battery operated.
  - Sanitation, safety, hygiene practices.
  - Basic icing and cake decorating
  - No open flames, no electricity is available for any equipment, no food products will be available to contestants.
- H. Contestants will be responsible for bringing all their supplies needed to perform the task given. Evaluators will supply 2 microwaves, and limited stove space which must be shared.
- I. Clean as you go. Sanitation is an evaluative criterion used throughout the

competition. Keep your work area and all tools, utensils, and equipment clean and sanitary. Each contestant is also expected to assist with the overall clean-up of the competition area at its conclusion.

- J. During the contest, both contestants must have a hand in the assembly of the cake. Competitors must work, without assistance from evaluators, teachers, fellow students, or observers. No observers will enter the contest area or talk or gesture to contestants. Evaluators will disqualify contestants who accept assistance from observers.
