SKILLS PERFORMANCE

The competition will include activities that simulate situations encountered by criminal investigation professionals.

The Skills Performance is broken down into three main sections.

1. Crime Scene Practicum - students will have 15 minutes in a mock crime scene. They will photograph, search, identify evidence, and collect information necessary to record the crime scene. They will not remove evidence. The focus is on the recording stage of crime scene processing.
2. Skill Demonstration - the team will be given three (3) skills to demonstrate. The team will decide which member will demonstrate each skill. Each member of the team will demonstrate one skill. Each skill can only be demonstrated by one member of the team. Examples of skills to be demonstrated may include, but are not limited to, the following: collecting a type of evidence, processing a type of evidence, or a similar crime scene skill.
3. Paperwork and Evidence packaging - the students will then complete the crime scene sketch, photo log (with photos), property forms, and individual narratives (paperwork). Their photos will be collected from their media card for judging.

Written Assessments-Online completed during open window March 14-28, 2025
