

SkillsUSA Indiana 2026 Community Service Project

Building Beds for Kids in Need

Participating in Sleep In Heavenly Peace Build Days is an exciting experience. There's always something to do... from the moment you arrive, sign in, and get your safety gear until the last SHP logo is branded on the final headboard of the day. Volunteers – under the guidance of SHP Chapter team members – build bunks in an assembly line setup. There are stations for sanding, assembling, staining, and branding the wood. What started as a pile of raw lumber from the hardware store becomes ready-to-deliver bunks for kids in need.

Questions? Contact Karla Moore 765-914-8250 or karla@skillsusaindiana.org

BEDDING DRIVE

Each bed delivered to a child comes complete with brand new twin sized sheet set and comforter or bed-in-a-bag and standard size pillow.

SkillsUSA Indiana lets help provide these items to children who need them!

Bring your donation of new twin sized sheet sets, twin sized comforters, standard pillows, or twin sized bed-in-a-bag items to the conference and drop them off in the Community Service Project area.
